

QUIET TIME is offered at the end of the day after children have had an opportunity to play and socialize.

This time is designed to provide a **quiet time for children to work independently on their homework or other learning activities**, however it is **not designed to replace the parent's role**. Children can work on homework, read quietly or work on Math or Problem Solving Activities. Please let us know if homework is mandatory for your child at this time.

FULL DAYS - Care is provided from 7am-6pm on days when school is out. We have exciting "Theme Days" planned and often go on field trips. Children need to bring a non-perishable nutritious lunch. You must confirm on the **sign up sheet at least two weeks in advance to insure space**.
